The facility includes 114 standard drive-up and climate-controlled units along with parking, totaling approximately 13,850 rentable square feet. Its diverse unit mix and functional layout are well-suited to serve both residential and commercial tenants in the area. This additional land provides a meaningful opportunity for investors to increase rentable square footage and further capitalize on demand in the market.
- The property features a strong set of amenities designed to meet modern tenant expectations. These include fencing around the storage facility and parking areas with digital gate-controlled access, new LED exterior lighting in 2025, security cameras, online rentals and bill pay, and tenant insurance. Together, these features enhance security, convenience, and operational efficiency.
- Newport and the surrounding Carteret County area continue to experience steady population growth. The town of Newport has grown consistently in recent years, supported by its coastal location and quality of life. This trend contributes to sustained demand for self-storage from both permanent residents and transient populations. Carteret County has also demonstrated long-term population expansion, driven by in-migration and its appeal as a coastal destination. The area benefits from a mix of full-time residents, retirees, and seasonal visitors, all of whom contribute to storage demand.

## Location Description

- Newport, North Carolina is a small town in Carteret County often described as the “gateway to the Crystal Coast.” It sits along U.S. Route 70, making it conveniently located about 10 miles from Morehead City, roughly 7 miles from Havelock, and about 25 miles from New Bern. This central position places residents within easy commuting distance of coastal employment centers and Marine Corps Air Station Cherry Point, one of the region’s largest employers.
- The local economy is shaped largely by coastal tourism, small businesses, and nearby military operations. Many residents either work at Cherry Point or in surrounding towns tied to hospitality, retail, and marine-related industries. Historically, the area also relied on agriculture, logging, and naval stores, reflecting its roots as a working coastal community. Today, Newport functions as a residential hub with a mix of commuters, service-sector workers, and some creative and technical professionals.
- Recreation in Newport centers on its access to nature and the coast. Residents enjoy nearby beaches such as Atlantic Beach, as well as boating, fishing, and kayaking along the Newport River. Outdoor enthusiasts also take advantage of the nearby Croatan National Forest, which offers hiking, camping, and wildlife viewing. Within town, parks, sports facilities, and community events like summer concerts provide additional activities, making Newport appealing for those who enjoy a quieter, outdoor-oriented lifestyle.

## Working With Real Estate Agents Disclosure (For Buyers)

### IMPORTANT

This form is not a contract. Signing this disclosure only means you have received it.

- In a real estate sales transaction, it is important that you understand whether an agent represents you.
- Real estate agents are required to (1) review this form with you at first substantial contact - before asking for or receiving your confidential information and (2) give you a copy of it after you sign it. This is for your own protection.
- Do not share any confidential information with a real estate agent or assume that the agent is acting on your behalf until you have entered into an agreement with the agent to represent you. Otherwise, the agent can share your confidential information with others.

*Note to Agent: Check all relationship types below that may apply to this buyer.*

         **Buyer Agency:** If you agree, the agent who gave you this form (and the agent's firm) would represent you as a buyer agent and be loyal to you. You may begin with an oral agreement, but your agent must enter into a written buyer agency agreement with you before making a written offer or oral offer for you. The seller would either be represented by an agent affiliated with a different real estate firm or be unrepresented.

         **Dual Agency:** Dual agency will occur if you purchase a property listed by the firm that represents you. If you agree, the real estate firm and any agent with the same firm (company), would be permitted to represent you and the seller at the same time. A dual agent's loyalty would be divided between you and the seller, but the firm and its agents must treat you and the seller fairly and equally and cannot help you gain an advantage over the other party.\*

         **Designated Dual Agency:** If you agree, the real estate firm would represent both you and the seller, but the firm would designate one agent to represent you and a different agent to represent the seller. Each designated agent would be loyal only to their client.\*

*\*Any agreement between you and an agent that permits dual agency must be put in writing no later than the time you make an offer to purchase.*

  X   **Unrepresented Buyer (Seller subagent):** The agent who gave you this form may assist you in your purchase, but will not be representing you and has no loyalty to you. The agent will represent the seller. Do not share any confidential information with this agent.

*Note to Buyer: For more information on an agent's duties and services, refer to the NC Real Estate Commission's "Questions and Answers on: Working With Real Estate Agents" brochure at [nrec.gov](http://nrec.gov) (Publications, Q&A Brochures) or ask an agent for a copy of it.*
